## **Additional elections to the student chamber of Academic senate of the Faculty of Sciences, University of South Bohemia in České Budějovice**

Electoral commission, appointed by the the dean of the Faculty of Sciences, University of South Bohemia in České Budějovice (FSci USB), invites members of academic community to submit proposal for candidates to Academic senate of FSci USB. The elections will be held on **10<sup>th</sup> Mai 2021 from 10:00 to 11<sup>th</sup> Mai 2021 to 14:00 online (details will be specified).**

The academic senate consists of two chambers: the chamber of employees and the student chamber, where is the list of alternates has already been exhausted and therefore the additional elections has to be held. The student chamber consists of 6 senators, 4 in the biological section, 1 in the non-biological section and 1 in the technical section. Actually, the technical section has no representative; nevertheless, students from any section can be proposed.

Students with obligation at FSci USB are treated as students in respect to the elections and can thus stand only for the student chamber of the senate. The senator function is incompatible with the function of rector, vice rector, dean, vice dean, bursar, secretary of the Faculty and the member of the electoral commission.

Candidates to the senate can be proposed by any member of the academic community. Candidates are proposed in the written form submitted to the dean secretary (Hana Sýkorová, ground floor, C building). Each candidate proposal has to include the name and signature of the proposer and the written consent of the candidate.

**Proposing of the candidates will be ended on 29<sup>th</sup> April 2021 at 12:00.**
