

Mission Equity

Unlocking opportunity for all

Equity: a core value of ETS

We believe that the progress of education is critical to humanity, and it's only real progress if everyone has access. That's why the inclusion of all our candidates is at the heart of our values and our commitment.

ETS's Mission Equity enables us to offer test sessions for candidates requiring specific accommodation.

Mission Equity

ETS EMEA : mh@etsglobal.org

24 Rue Chauchat, 75009 Paris

Concrete accommodations for all those who need them

What tests allow accommodations?

- TOEIC® 4-Skills Test
- Certification TOEIC® 4 Compétences (Écouter, Parler, Lire et Écrire)
- TOEIC® Listening and Reading Test (2h)
- TOEIC® Listening and Reading Adaptive Test (1h)
- TOEIC Bridge® Test
- TOEFL ITP® Test

How do I request test accommodations?

Candidates must make their request at least 4 weeks before the desired test date [via the ETS form](#), even if the accommodation concerns an online test (on a computer or tablet).

Important :

- The test format (paper-based or computer) depends on the facilities available and the availability of the public testing center. It will be determined by the Mission Equity team.
- All these facilities are available at public test centers and institutional premises, except for long breaks, which are only available at institutional premises.
